

GOAL 8 : DEVELOP A GLOBAL PARTNERSHIP FOR DEVELOPMENT

*What do we do at school ?
Know it and let it be known.*

Target 8.A - Develop further an Open, rule-based, predictable, non-discriminatory trading and financial system

Least developed countries should benefit most from tariff reductions, especially on their agricultural products.

The state aids to agriculture in the rich counties are often unfair

Target 8.C - Deal comprehensively with the debt problems of developing countries

Explain external debt, ask for its reduction, its suppression.

In order to pay their external debt, poor countries sell their land and their subsoil cheaply to rich

Target 8.E - In cooperation with pharmaceutical companies, provide access to affordable essential drugs in developing countries

33 millions of people live with the HIV (among whom 27 millions in Africa.

70 % of these people who would need a treatment won't accede to it.

The scandals of pharmaceutical industry should be denounced

The first responsables ? The big laboratories brands, which impose exorbitant prices and go against the competion of generics.
